Sisters and Brothers in Christ,

Your Sunday morning Adult Bible Study is not to be missed! We are discussing our way through 1 Corinthians, currently working on chapters 5 & 6. Very appropriate for our day and age. Last Sunday, we pondered the connection between these chapters and the #MeToo movement with good discussion and focused application.

I want to encourage you in your own study, reflection and application of God's Word!

Psalm 119 highlights six (6) unique and important ways to approach God's Word. These include *hearing* God's Word being read, *reading* God's Word aloud, *studying* God's Word by asking questions and seeking answers, *memorizing* God's Word, *meditating* upon God's Word, and *applying* God's Word to the various situations of daily life.

These specific activities summarize the work we do every Sunday morning, beginning at 9:15am in our Fellowship Hall downstairs. Again, I want to encourage you in your own study, reflection and application of God's Word. Might you join with us?

I really enjoy ... okay, I love it ... digging into the Scripture with the intent of better knowing the LORD our Creator/Redeemer and better understanding the "how" and "way" we live in His Kingdom.

And, I affirm the observation that says, "We need to put God back into all those places where we've asked Him to leave: schools, businesses, courts, government, culture, media, entertainment, etc." What do you think?

I'm convinced that this world needs more Christians who are humbly Christian, not less. That is why I encourage you in your own study, reflection and application of God's Word.

Questions: Are there more ways that I can help your study, reflection and application of God's Word? What would help you grow in seeing the world as Jesus sees the world? What ways would you take advantage of and get involved in a thoughtful application of God's Word for your life?

Let me know what you think.

Luv ya'!

Pastor Craig
